2.3 Objectives and Activities

The main objectives of the charity are:

1. promoting the whole mission of the church - pastoral, evangelistic, social and ecumenical. The PCC is responsible for cooperating with the Ministry Team to meet this objective;
2. enabling as many people as possible to worship at our churches and to become part of our parish community. The PCC maintains an overview of activities throughout the parish and makes suggestions on how we can involve the many groups that live within our parish; and
3. putting faith into practice in our services and worship through prayer and scripture, music and sacrament.

When planning our activities for the year, the incumbent and the PCC have considered the Charity Commission's guidance on public benefit and the specific guidance on charities for the advancement of religion. In particular, we aim to enable ordinary people to live out their faith as part of our parish community through:

- a) Worship and prayer; learning about the Gospel; and development of their knowledge and trust in Jesus Christ as both Saviour and Lord. There is also provision of pastoral care for people living in the parish.

In particular, our aims for 2023 were:

- to embed our vision that we are called to be a community of mercy and kindness, and to continue to develop supporting strategies which will enable the realisation of this vision;
- to encourage spiritual growth for all those in the various communities we serve, through the creative use of technology, and other channels of communication;
- to continue to encourage regular pattern of daily prayer through the Daily Office and other spiritual disciplines;
- to increase the appreciation of our Eucharistic ministry for all who worship with us;
- to continue to re-establish and grow our worshipping communities post pandemic; and
- to build the ministries established amongst young people, schools, the Windrush estate and the care homes within the Parish.

- b) To facilitate this work it is important that we maintain the fabric of our four church buildings. In particular, our aims for 2023 were:

- To develop and implement plans for priority projects for the renewal of the fabric of St Mary's;
- to progress the repair of the roof at Holy Trinity; and

- to continue our programme of maintenance of all the churches as outlined in the most recent quinquennial inspections.

2.4 Achievements and Performance

The vision of the Parish continues to be that we should be a community of mercy and kindness. Our strategy to achieve this vision was developed in 2022 and has been embedded in 2023. It is summarised in the diagram below:

During 2023, a number of the members of the Ministry Team suffered from illness or major health conditions which involved lengthy periods of absence. In addition, both the Witney Team Vicar, and the Minster Lovell Team Vicar (part of the Benefice of Witney and who contributed significantly to the work of the Parish) left to take up other posts within the church. Both factors contributed to the extent to which the parish was able to consolidate the work in each of the priority areas highlighted within our strategy diagram.

However, as a result of God's faithfulness in answering prayer, and the resilience of the Ministry Team and the wider congregations within the Parish, we have continued to make good progress in each of these areas during 2023.

Social and Eco Justice: The parish has continued to host a monthly Eco forum, which has attracted a wide range of speakers and interested parties to discuss related issues impacting at local, national and international level.

Donations from the Hardship Fund totalled £6,074 largely in support of those facing food poverty in our local community. The Parish also continues to support the Besom project, the Witney Fridge and overseas aid charities. In addition, individual churches have raised £5,236 in support of external charities.

The parish has continued to support the Asylum seekers resident in the Oxford Witney Hotel, both financially, through the Asylum fund, and also through input to multi agency and community forums, to address a wide range of their needs including support for residency .

Outreach: The worshipping community on the new Windrush estate has continued to flourish, with regular Messy Church services. In addition, the team has run a variety of community events particularly during school holidays, adopting an approach which seeks to meet people where they are, both physically and spiritually.

More broadly, the parish has engaged in numerous outreach activities, which 'overlap' with other areas of priority focus. Most significantly, the programme of festivals and events in all our churches continued to develop, and returned to pre-pandemic levels of activity.

Buildings and Place: The work to repair the roof at Holy Trinity started in the late autumn; progress on this was hampered by the extremely poor weather in December, but the project is still aiming to complete by the end of March 2024.

The installation and consecration of a new altar in St Mary's, made from wood reclaimed from the felled cedar of Lebanon tree in the churchyard, added significantly to both the beauty of the building, and the impact of our services of worship. Detailed designs for the replacement of the outer North Porch and Winchester Room doors, and the boxing in of the West door with an interior glass porch were produced to enable permission to be sought through the planning and faculty processes. In addition, a comprehensive energy audit of the building was carried out in support of our journey towards net zero.

Children and Youth: Notwithstanding the absence of our Youth Worker and Schools Chaplain for a period of time in 2023, our youth work, both church related and in the wider community, has continued to develop.

Our contact with the 11 schools in the Parish has continued, providing regular input to collective worship throughout the year, as have all the activities for young people hosted in our churches, including the Tiddlers group at Hailey; Messy Mass at Holy Trinity, Junior church and the Young Disciples group which meets regularly in the Winchester Room.

Older People: The work of the Anna Chaplaincy ministry within the Benefice continued to develop, in particular with strengthened relationships with the 6 care homes in the Parish. The Wednesday weekday service of Holy Communion continued to grow in numbers, and benefitted from regular monthly attendance from a group of residents from the Richmond Village care home. Our continued offering of Zoom and streamed services remains highly valued to all those who have not yet felt able to rejoin church worship in person.

Teaching & Spirituality: A variety of courses took place throughout last year, including during Lent and Advent. A number of our congregation began exploring various forms of licensed ministry, and we welcomed our new curate, James Elwood to the Ministry Team upon his ordination to the Deaconate at the beginning of July. Both have contributed to the range of different voices exercising a preaching ministry as part of our services.

These are some of the highlights of 2023; they represent a small part of the ongoing successful ministries offered across the Parish. We remain grateful to the leadership, commitment and energy provided by our Team Rector and the whole of our Ministry Team throughout the year. We also recognise the immense contribution of a large number of enthusiastic volunteers, without whom these amazing achievements would not have been possible.

Financial Review

The total income for the year was £319,195 and total expenditure amounted to £412,882.

The unrestricted income for the Parish was £243,484 while core operating costs totalled £242,138, resulting in an operating surplus of £1,346. This outcome reflects the continued extraordinary generosity of our congregations who responded to a further appeal in 2023 for funds to support the operating costs of the Parish, to the tune of nearly £29,061 (net of Gift Aid). In addition, the Parish was able to host a number of major festivals and events through the year. Of these, the Witney Festival of Food and Drink and the Oktoberfest contributed over £12,000 towards Parish operating costs.

As a result, the Parish was able to cover its operating costs in full including 100% payment of our allocated Parish Share. The Diocese of Oxford applied discounts of £11,668 to the parish's initial allocation of £118,268, resulting in the amount paid, as shown in these accounts of £106,600. These discounts arose as a result of the full payment of our share in 2022, the Team Vicar vacancy for the majority of the year, and a contribution from the Diocese, in recognition of the time spent by our Team Rector in the role of Associate Archdeacon for part of the year.

Our unrestricted expenditure increased by 6.6% on last year. This was largely driven by the high rate of inflation affecting all our operating costs, and in particular the fact that three-year fixed rate energy deals for both gas and electricity expired in January, resulting in a very significant increase in energy costs for 2023.

Restricted Income totalled £75,711, largely reflecting the continued fund raising in respect of the Holy Trinity roof appeal, and grant funding from the Diocese of Oxford in support of our Schools Chaplain and Youth Worker. The success of the former enabled the repair works to the Holy Trinity roof to commence in the last quarter of 2023, and they are due to be complete in the spring of 2024.

Restricted expenditure of £170,744 included the costs associated with both of these initiatives. In addition, the installation of a new altar and dais was completed in St Mary's church, funded via expenditure from the restricted St Mary's Appeal fund

The Parish was able to continue to support both those in our local community in financial need, and also our Asylum seeker friends in Witney, through the Hardship and Asylum funds respectively. Donations totalling £14,591 were made from these funds.

Finally, the Parish made donations totalling £5,236 to external charities in the year.

2.5 Reserves Policy

The trustees have examined the charity's requirements for reserves taking account of the main risks to the organisation. In 2018, the trustees reviewed these requirements and adopted a new Funds and Reserves Policy. This requires that the PCC maintains an average of £7,000 over the year, to meet unexpected changes in cashflow, while each DCC (Hailey, Holy Trinity and St Mary's) maintains an average of £5,000, to cover minor maintenance issues. The policy assumes that unexpected major maintenance/repairs would be covered by emergency appeals to the respective congregations.

Therefore, in order to meet the agreed funding policy for the year ended 31 December 2023 the trustees consider that the amount required in reserves should be approximately £22,000. The level of general reserves as of 31 December 2023 amounted to £46,531 significantly in excess of the figure required by our agreed policy.

2.6 Financial Risk Assessment

The major financial risks to the Charity are considered to be the following:

1. Reduction in planned giving as a result of withdrawal of support from existing regular givers, potentially driven by the Team Rector and Team Vicar vacancies, and on-going cost of living pressures. Mitigated by the development and execution of the on-going stewardship campaign, and a campaign to encourage legacy giving.
2. Reduction in unplanned giving and income from festivals and other major events held in our churches, due to poor weather.
3. Operating Cost inflation, as a result of increased UK inflation.
4. Major project expenditure increasing during the execution phase of a project (e.g. mid way through a building project, significant cost escalation from a supplier). Mitigated by the implementation of more rigorous supplier and contract management processes for major projects, and the creation and proactive management of funding contingency throughout the project's lifecycle.
5. Unexpected and unbudgeted expenditure, most likely related to the need for emergency repairs and restoration to one of our historic buildings. Mitigated by the implementation of the agreed Reserves Policy.

It remains likely that we will continue to have to hold an appeal for funds to cover our operating costs in 2024. Although the cost of living crisis will undoubtedly impact on our congregation's willingness or ability to contribute, the experience of the last 4 years suggests that their extraordinary generosity will continue to enable the Parish to operate successfully.

2.7 Structure, Governance and Management

The Parish of Witney Parochial Church Council (PCC) is registered as a charity with the Charity Commission. The Trustees of the parish are the PCC, which has the responsibility of cooperating with the incumbent, in promoting the whole work of the Church in the ecclesiastical parish. The PCC is governed by two pieces of Church of England legislation, called Measures. These are the Parochial Church Council (Powers) Measure 1956 and the Church Representation Rules (contained in Schedule 3 to the Synodical Government Measure 1969, as amended).

Overall responsibility for day-to-day management remains with the incumbent, working in close collaboration with the Ministry Team and the Standing Committee. The charity does not have paid employees with management responsibility.

2.8 Appointment of Trustees

The trustees keep the composition of the PCC under review and will seek to co-opt additional members with appropriate skills and expertise should the need arise. Interested parties are given details of the background of the charity in order to make them aware of current activities. Licensed members of the Ministry team are ex officio trustees. Churchwardens are elected at the Annual Parishioners Church meeting. All other trustees are elected at the Annual Parochial Church meeting in accordance with the Benefice CRR Scheme.

INDEPENDENT EXAMINER'S REPORT TO THE PAROCHIAL CHURCH COUNCIL OF THE PARISH OF WITNEY

I report to the Parochial Church Council on the financial statements of The Parish of Witney for the year ended 31 December 2023, which are set out on pages 11 to 20.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants in England and Wales.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. the accounting records were not kept in accordance with section 130 of the Charities Act; or
2. the accounts did not accord with the accounting records; or
3. the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE ACCOUNTS
for the year ended 31 December 2023

1. Accounting Policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of Preparation

The Financial Statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 2 October 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 2 October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 January 2019 which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest pound.

b) Public Benefit Entity

The Parish of Witney meets the definition of a public entity under FRS 102.

c) Going Concern

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

d) Income Recognition Policies

Voluntary income and capital sources:

- Planned giving under Gift Aid is recognised only when given.
- Income tax recoverable on Gift Aid donations is recognised when the donation is received.
- Collections and sundry donations are recognised when they are received.
- Grants and legacies to the PCC are accounted for as soon as the PCC is notified of its legal entitlement, the amount due is quantifiable and its ultimate receipt by the PCC is reasonably certain.

Activities for generating funds:

- Proceeds from the sales of books and magazines from the church bookstall and from fundraising events are accounted for gross.
- Rental from the letting of church premises is recognised when the rental is due.

Investment income:

- Interest entitlements are accounted for as they accrue. Not currently applicable but, dividends will be accounted for when due and payable.

Gains and losses on investments (not currently applicable):

- Realised gains or losses will be recognised when the investments are finally sold.
- Unrealised gains or losses will be accounted for on revaluation of investments at 31 December each year.

e) Fund Accounting

The trustees are satisfied that the charity's assets are available and adequate to fulfil its obligations. It has been policy to invest surplus funds with the CBF Church of England Investment Fund, but given the minimal interest rates on deposits, it has been our practice to invest any surplus in the Business Reserve Account held with Barclays Bank.

f) Expenditure and Irrecoverable VAT

Charitable activities:

- Grants and donations are accounted for when paid over, or when awarded if that award creates a binding obligation on the PCC.
- The Diocesan quota and Parish Share is accounted for when payable. Any quota unpaid at 31 December is provided for in these accounts as an operational (though not a legal) liability and is shown as a creditor in the Balance sheet

g) Creditors and provisions for liabilities

Basic financial liabilities, including creditors, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.
